Why the AQUA DOME – Tirol Therme Längenfeld has everything couples and families need

Treasure hunts & water slides: the Ötztal valley and the AQUA DOME are brilliant for families!

'Adults only' concepts are popping up everywhere – but Tyrol's largest wellness area remains open to all, easily reachable for a day trip, and one of the standout attractions in the Alps this summer. Ideal for a relaxing wellness break or a fun-filled family getaway.

The spacious AQUA DOME boasts a total area of 65,000 m² – a feature few others can match – and divides the space to suit different groups. The luxurious SPA3000 on the roof of the thermal complex is reserved exclusively for hotel guests aged 15 and over. In contrast, there is the separate 'Alpen Arche Noah' children's area; a combination of a feel-good area and adventure zone where parents and children can enjoy their time together without disturbing those seeking peace and quiet. There's plenty of action in the Water Fun Park on the deck of a ship, the funnel slide and the baby pool. And particularly cool in summer is the dedicated area with outdoor pool, where children can play, swim, splash about and have fun. All in the spirit of the cheerful AQUA DOME mascot AQUAKI, who often pops by to join in the children's programme. From arts and crafts to face painting, children's Olympics and pirate treasure hunts – there's no shortage of fun activities. While the children are being looked after, adults can unwind in one of the floating bowl pools or in the newly designed sauna area with garden. And in the evening, there's a children's table in the newly refurbished hotel restaurant, which offers separate dining rooms for couples and families.

Countless family highlights in the Ötztal

In the Ötztal, AQUAKI meets WIDI, the mountain sheep from the Ötztal. Together, the two mascots have dreamed up a whole host of summer holiday highlights. There's the Kidspark Ötz, which at 5,000 square metres is considered the largest playground in Tyrol. In the Enchanted Forest in Sautens, the pushchair-friendly trail combines easy walking with hands-on learning at activity stations and a large forest playground. And in the 'Widiversum' in Hochoetz, it's time to go on a treasure hunt at an altitude of 2,020 metres; WIDI and his friends need your help to find the stolen
